I have also listened to your voice mail message.....

Thanks for all of the documents, including this daily progress report. I will send them to the requester.

FOIA requests are meant to be one time requests for reports, not as requests for continual ongoing reports. So, do not send me any more daily progress reports.

Art,

For that FOIA request, one of the reports they asked for are the daily reports that continually get! Attached is the one for yesterday.

Do I need to send these to you daily as I get them?
